HEM-CAB Industry related income	
<p>HEM-CAB is an initiative of the European haematology patient community. Since it has no legal entity of its own, the MPE Board agreed that this initiative would be hosted by MPE formally. This means that the initiative is not part of the MPE budget. The income received for Hem-CAB is clearly firewalled for Hem-CAB activity and the expenditure, too, so MPE is not allowed to spend this for its own programmes.</p>
